

Documentation Forms for Organic Crop Producers

Sample Neighbor Notification Letter

(Date)

(Name and address)

Dear (Name):

I am currently a certified organic farmer with _____ (name of your certifying agent), managing my fields in a manner consistent with the USDA National Organic Program regulations.

Since you are an adjoining property owner, I need to inform you of my plans and ask for your help. If you plan to use synthetic fertilizers, pesticides, and/or genetically engineered crops on land that adjoins my fields, please take precautions when transporting or spraying to prevent over spray, chemical or genetic drift, or run-off onto my farm. If chemical drift is found on my organic crops or fields, I may be required to wait up to three years before using these fields for organic production. This could also cause loss of my organic certification and/or loss of the organic premium for crops grown on affected fields.

(Optional Paragraph) I understand that you are currently not using any synthetic fertilizers, pesticides, and/or genetically engineered crops on the (field or pasture) that borders my farm to the _____ (east, west, north or south) and adjoins my field # (_____). If you are willing to sign the enclosed Verification of Adjoining Land Use form, I will not be required to maintain a buffer zone between your field and mine. Also indicate the location of your adjoining fields on the map enclosed. Please return the signed statement as soon as possible.

If you would like to know more about my organic certification or have any other questions, please call. Thanks for your help.

Sincerely

(Signature of organic farmer)
